LinkedIn Profile

SKILLS

ReactJS, Javascript

Machine Learning

Python, Java, CSS

Flutter

Data Science

LANGUAGE

ENGLISH

I am Thian Lian Ben, from Myanmar. I am studying Master of Computer Engineering in Marwadi University, India. I am a mobile developer with 1+ year experience in Singapore based company, called Weeswares in Myanmar. Although three mobile applications have developed using React-native, an app was able to deliver to clients during working in a company. While I am studying Master degree, I could develop a mobile app using flutter.
